- What I Know is... Wiki

an overview of the “Wiki” story

- TiddlyWiki

a type of Wiki

- TiddlyWiki in True Life

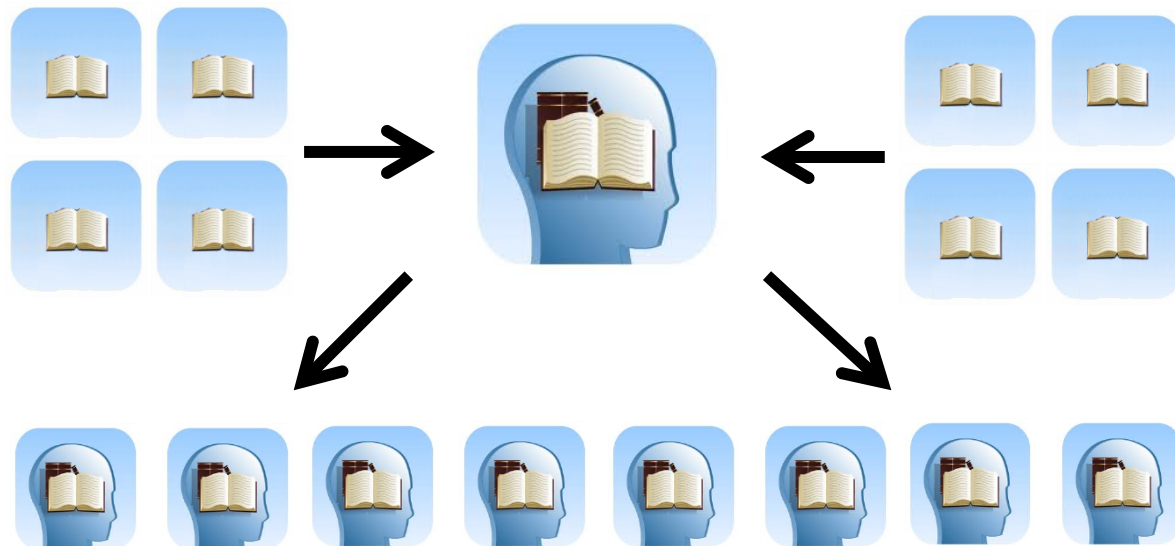

from scratch to a re-arranged PhUSE Paper

What I Know is... Wiki

an overview of the “Wiki” story

■ Background

- 1) *Find a good way to store my personal and professional experience or “knowledge”.*
- 2) *Document a “living” tool which has hundreds of items and share it with many people.*

What I Know is... Wiki

an overview of the “Wiki” story

■ History of Wiki

It is a concept that has been invented in the early 90's, after the development of the WWW.

The name is an Hawaiian word which means ‘Quick’.

After an exploration phase, it became widely adopted. In 2001, the free content encyclopedia Wikipedia was launched.

What I Know is... Wiki

an overview of the “Wiki” story

■ Definition

A wiki is a website which allows people to add, modify, or delete the content via a web browser usually using a simplified markup language or a rich text editor. Wikis use specialized wiki software and are usually created collaboratively.

What I Know is... Wiki

an overview of the “Wiki” story

■ Advantages

Anyone can edit,

Easy to use and learn,

Instantaneous,

People located everywhere can work on the same document,

Software keeps track of every edit made,

Widens access to publishing to non-technical users,

No predetermined structure,

Wide range of open source software.

- Type of Wiki

TiddlyWiki

a type of wiki

■ Definition

TiddlyWiki is an open-source and free kind of wiki that is contained in one unique html file including its contents and the necessary CSS (layout) and JavaScript code to edit and render the information. It is portable and does not require a server.

It is mainly seen as a non-linear personal notebook based upon micro-content information

Starting pack can be downloaded here : <http://tiddlywiki.com/>
