

ROD BOWER
rodrick.bower@roche.com

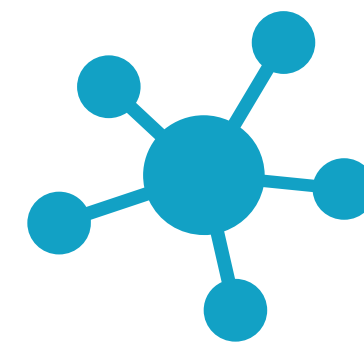

What's in the library / on the standard form?

When should I include this question?

Where does this datapoint map to?

```

graph LR
    SC[Subject Characteristics] --> Q1[Does the male subject agree to use appropriate level of contraception?]
    SC --> FR[Female Reproductive Status]
    SC --> SS[Subject Status at Selection]
    FR --> FCP[Female Contraceptive Protection specify]
    FR --> CP[Childbearing Potential]
    CP --> CWP[Childbearing Potential with Contraceptive Protection]
    CP --> CWO[Childbearing Potential without Contraceptive Protection]
    FCP --> SS1[Surgically Sterilized]
    FCP --> PM[Postmenopausal]
    SS --> IP[IN-PATIENT]
    SS --> OP[OUTPATIENT]
    SS --> HV[HEALTHY VOLUNTEER]
    SS --> IOS[If Other, please specify]
    SS --> OT[OTHER]
  
```

Subject Characteristics

- Does the male subject agree to use appropriate level of contraception?
