"Everybody is a genius. But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid."

-Albert Einstein

The research

The impact

How we
channel this

A challenge

If you want people to understand that you value their contributions and that they are important, the recognition and praise you provide must have meaning that is specific to each individual.

— *Tom Rath* —

AZ QUOTES

The key to human development is
building on who you already are.

TE
STRENGTH

An offer to you...
