

PhUSE US Connect 2018 PP01: PhUSE Working Groups – Now & Next

CURRENT STATE

FUTURE STATE

PhUSE WORKING GROUP MISSION

Provide an **open, transparent, and collaborative** forum in an non-competitive environment in which Regulators, Life Science Companies, Technology Providers, SDOs, and Academia can address **unmet computational science** needs impacting product development and regulatory review as to **improve human health**

WHY JOIN A PROJECT

- Opportunity to network
- Great platform to share knowledge & ideas
- Produce deliverables
- Collaboration with the FDA and Regulatory Authorities
- Career growth
- Authors of abstracts, posters, deliverables
- And many more reasons.....
