How long is it going to take?

A bit about Estimation (PMo4)

Alastair Scarlett, d-wise

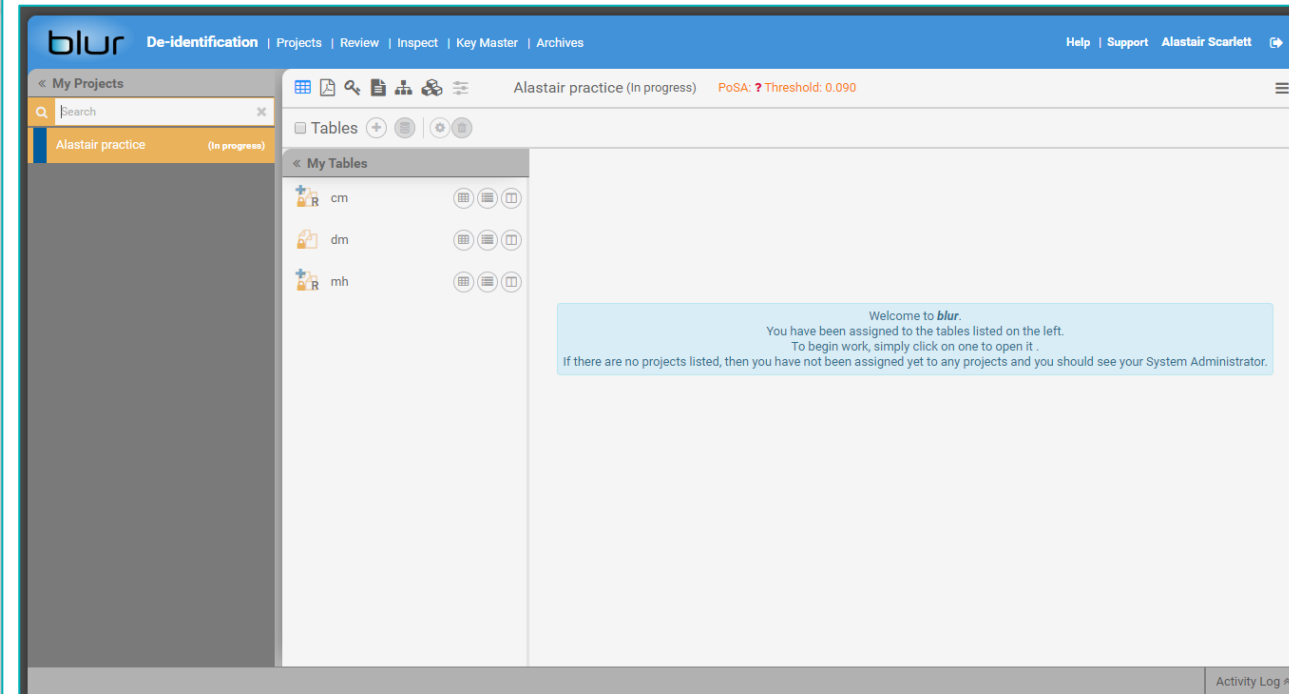

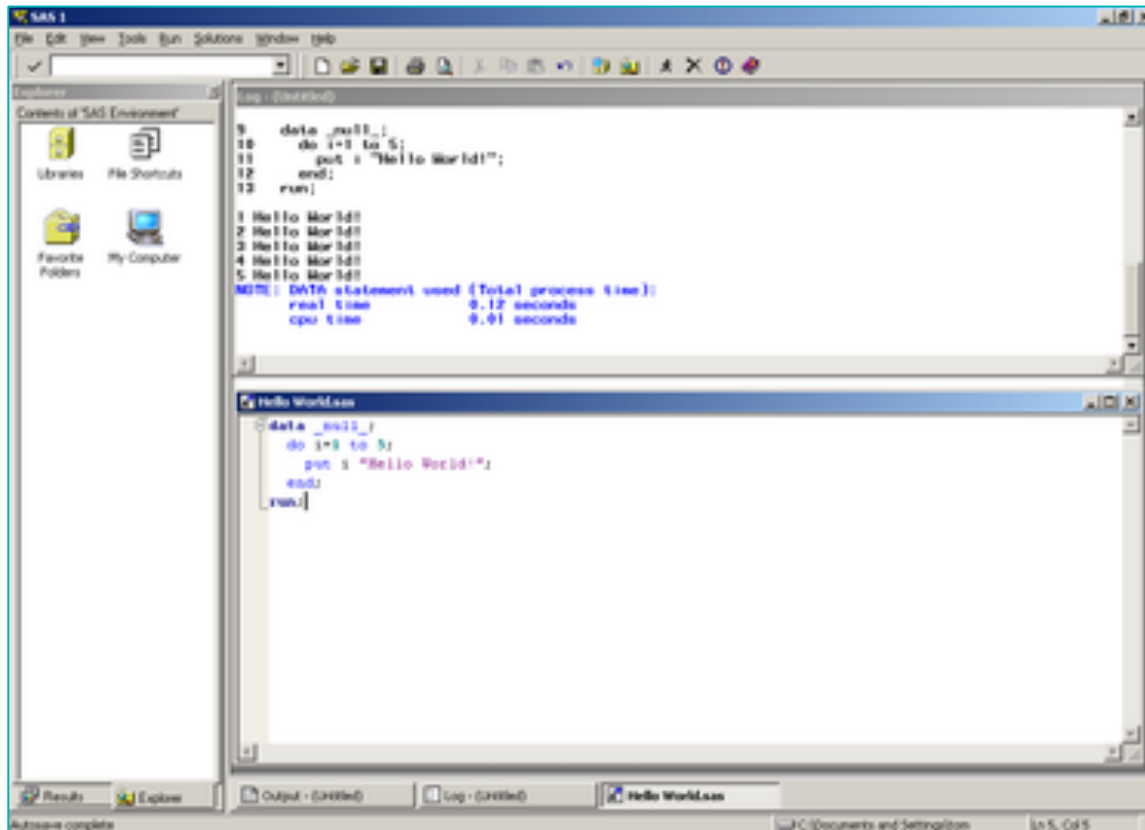

How long is it going to take?

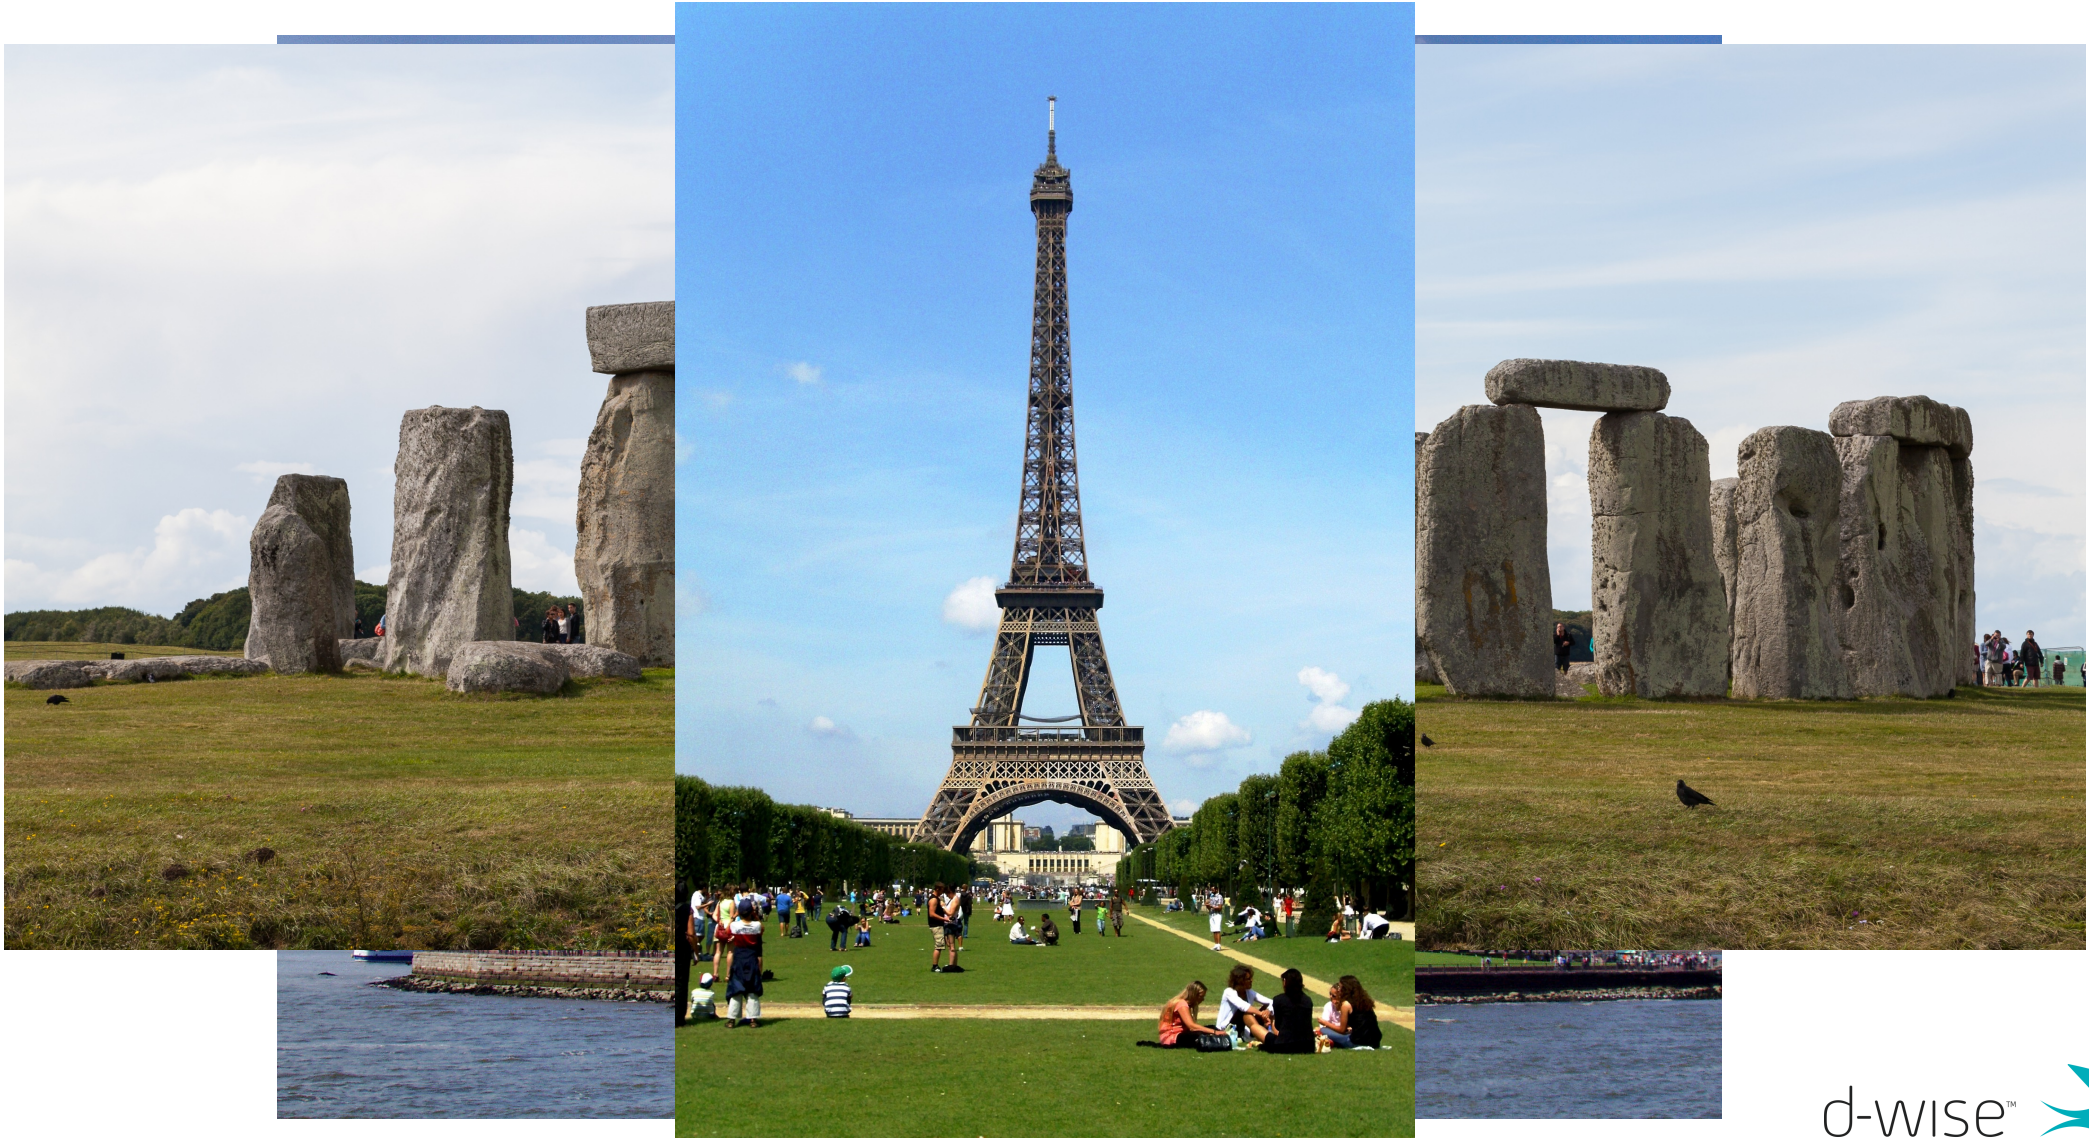

Engineering

Software

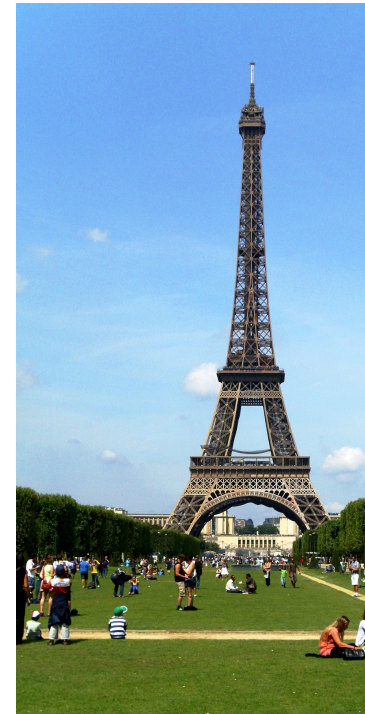

Let's do some estimation now...

Relative vs Absolute Estimation

- Humans much better at relative estimation
- Groups are better at estimating than individuals

Estimation – final thoughts

- Estimations get more accurate over time
- Estimations shouldn't be given too much weight
 - They are 'informed guesses' and are definitely subject to change
- **THEY ARE NOT COMMITMENTS OR DURATIONS AND SHOULD NOT BE TREATED AS SUCH**
