When the Post(er)-Man Rings Twice – Make Science Sexy!

Motivation

- Went to the last PHUSE without prior knowledge
- Had no idea how to create a good poster!
- Good and short summary of complex topics
- Maybe perfect to share with the general-public

Newbie wants to learn the technique and share what he has learned!

Disclaimers

- Recommendations are recommendations!
 - Sometimes, it is good to break the rules.
 - Everything has an audience, and not everybody will like your design!
- Look at my **paper** for links, more info and details!
- Pictures were created with AI (Leonardo).

A Short Reminder ☺
