A man with a long beard and a woman are standing in a modern office hallway. The man is wearing a blue and white plaid shirt and has his hands on his hips. The woman is wearing a black patterned shirt and is pointing her finger. A large potted plant is in the foreground on the left. In the background, there are glass-walled offices, a black server rack, and a small bar area with stools. A white cloud-like shape with a blue outline is positioned above the woman, containing the text "InnerSource".

What about my
ADaM and TFL
programs?

A man with a long beard and a plaid shirt stands with his hands on his hips, looking at a woman. The woman, wearing a black patterned shirt, points her finger while speaking. They are in a modern office with glass partitions, a white pillar, and a large potted plant in the foreground. A speech bubble above the woman contains the text "Wouldn't full open source be better?".

Wouldn't full
open source
be better?

A man with a long beard and a blue plaid shirt is shaking hands with a woman in a black lace top in an office hallway. A speech bubble above them says "Lets go open source next!". The background shows office furniture, plants, and a door.

Lets go open
source next!
