Embracing Change and Leading the Innovation

Embracing Change and Leading the Innovation

Product Adoption Curve

Enthusiastic and confident innovators who are excited to try new tech.

Opinion leaders who embrace new products early but with more caution than innovators.

Embracing Change and Leading the Innovation

“When nothing seems to help, I go and look at a stonecutter hammering away at his rock, perhaps a hundred times without as much as a crack showing in it. Yet at the hundred and first blow it will split in two, and I know it was not that last blow that did it - but all that had gone before.”

James Clear

Conclusion

Sometimes, the path to true fulfilment requires us to let go of what we know and embrace the unknown

Career journey has been a transformative experience

It has provided me with a courage and confidence to drive my passion and goals

Remember that your career is a journey

The challenges are significant, but the rewards are unparalleled.

Acknowledgements

I wanted to extend my heartfelt gratitude to John McDade, Alastair Sword, Rajwanur Rahman, Spencer Renyard and Polly Allen for their exceptional mentorship and unwavering support throughout the development of my career.

Their expertise, insights, and unwavering commitment have been instrumental in my knowledge, skill and experiences. It has been a privilege to collaborate with such dedicated professionals.

And finally, thank you to Chris and Nathan McGuire, my biggest supporters who believe in me in everything that I do – you are the reason for everything I do.

Q&A

Thank you for listening, any questions?
