WHO WE ARE - Consultancy Private Limited

Kolkata - INDIA

contact@clincafe.com

www.clincafe.com

At **ClinCafé Consultancy Private Limited**, we are a **technology-driven company** at the forefront of clinical data standards implementation. Our focus is on **leveraging advanced technologies** to streamline the clinical trials process, ensuring that data is processed efficiently and submissions are expedited.

Our mission is to **accelerate the availability of life-saving medicines** to the market through our innovative solutions, ultimately supporting global healthcare.

The iCLIMB Platform

Our flagship solution, iCLIMB (Integrated Clinical MetaBase), is designed to **simplify and optimize** the creation and implementation of clinical data standards.
