

# PHUSE/SQA SEND READINESS SURVEY

George Kahlbaugh, Lou Ann Kramer,  
PhUSE CSS Meeting, March 19-21, 2017

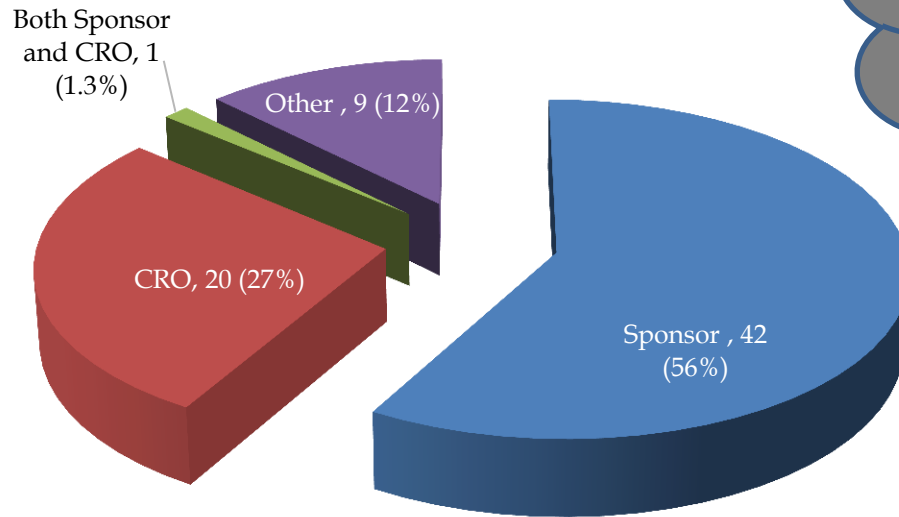

# 72 Respondents !

## What country are you located in?

# Demographics

## Organization Type

Software  
Vendor

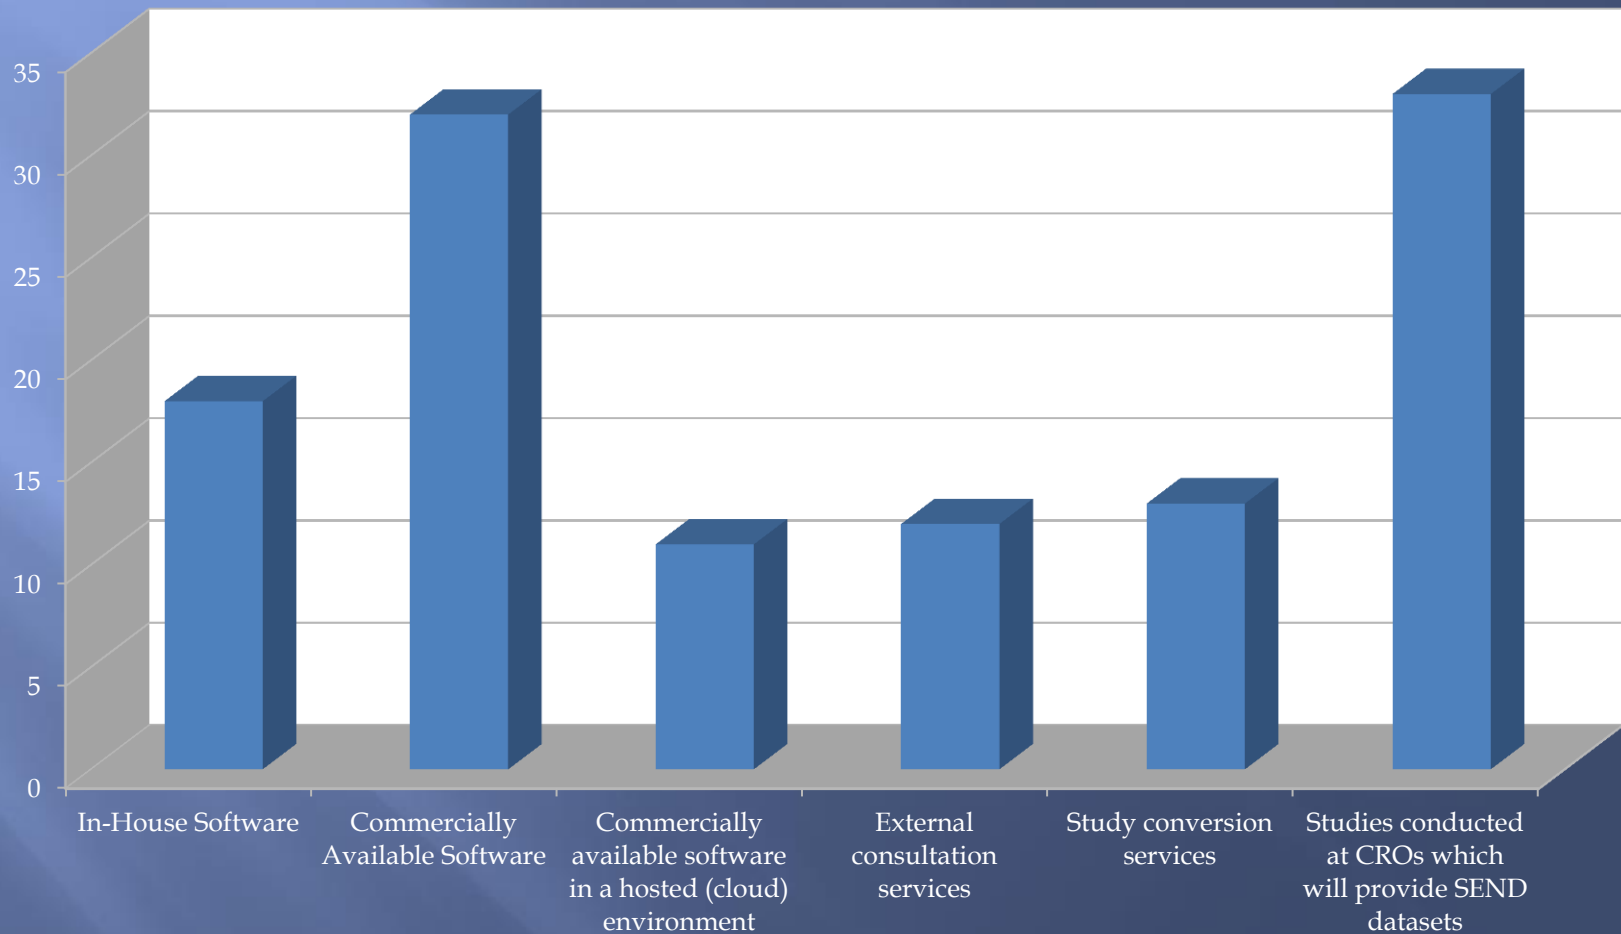

Service or  
Solution Provider

Consulting

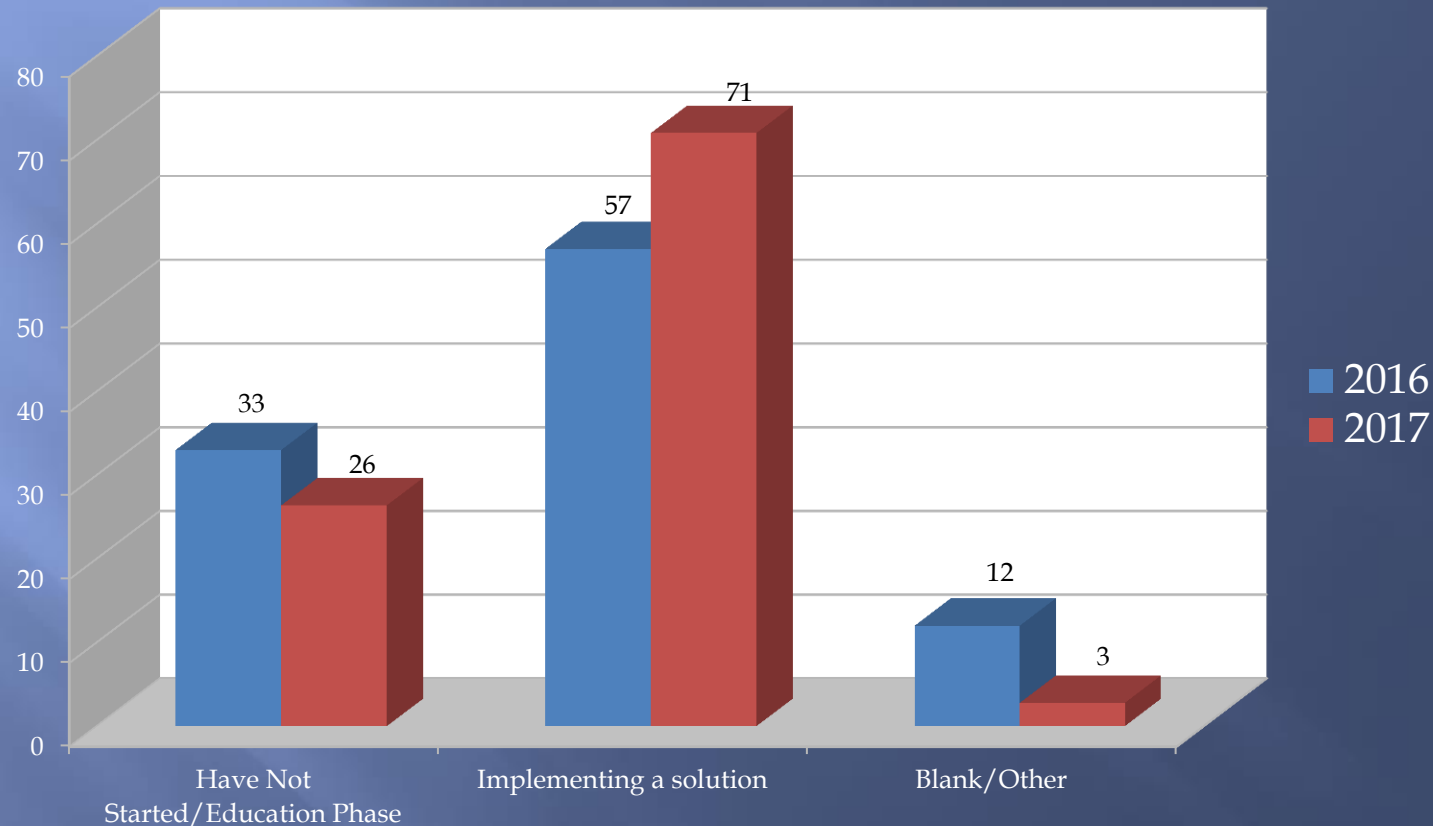

## Background

- 13 Scientists
- 7 Regulatory
- 12 Consultants
- 3 QA
- 9 IT
- 24 Other

# What Type Of SEND Solutions Do You Use? (n)

# What Stage Of Send Readiness Are You In? (% of Respondents)

There has been a 14 percent increase in the number of respondents implementing a solution and a 7-9 percent decrease in the number of respondents who have not started or responded with Other

# Actions Towards Implementation

## 2016 Activity By Organization Type - Absolute

## 2017 Activity By Organization Type - Absolute

# Actions Towards Implementation

## 2016 Activity By Organization Type - Percentage

## 2017 Activity By Organization Type - Percentage

## 4. Actions Taken - Other

Participated in  
Fit For Use

Information  
gathering  
and sharing  
with clients

Currently working on SEND  
package(s)

Validated SEND  
Solution

Converting SDTM  
processes over to  
SEND processes,  
creating SOPs

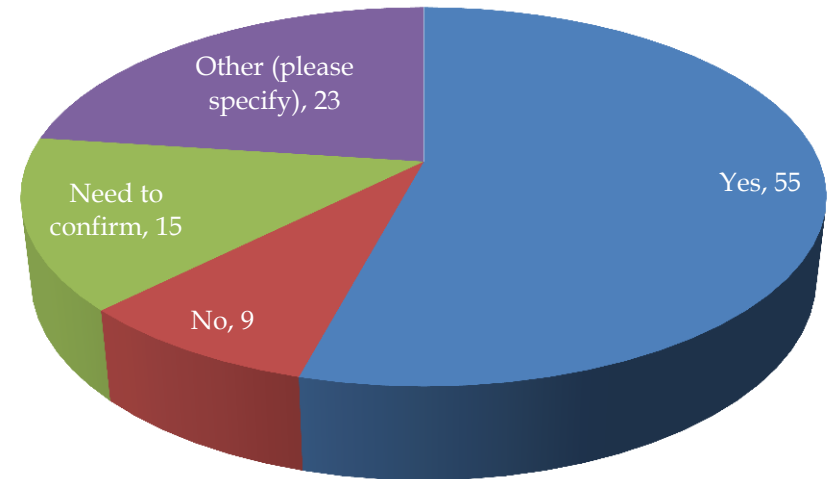

# Are your service providers able to create SEND datasets?

**2016** (n=111)

**2017** (n=72)

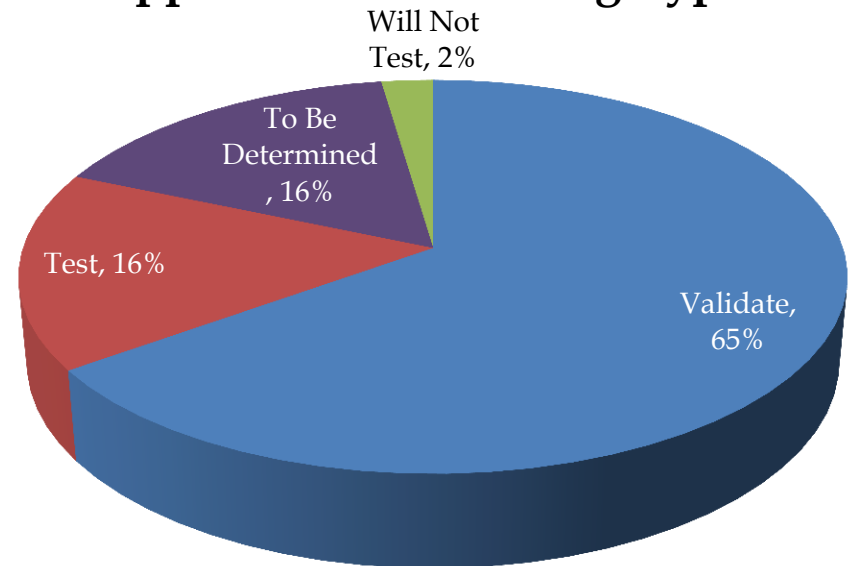

The percentage of respondents that need to confirm has dropped by 20%. The percentage of respondents who know their CRO capabilities increased by 10%.

# At what level do you intend to test the SEND system?

**2016 Type Of Testing Of SEND Application For All Org Types**

**2017 Type Of Testing Of SEND Application For All Org Types**

A majority are validating their SEND solution, while a small fraction is planning to do no testing. 81 % of respondents will validate or test.

# At what point related to study finalization does your company plan to generate SEND datasets?

## 2016 -Timing For SEND Dataset Creation - Sponsor and CRO

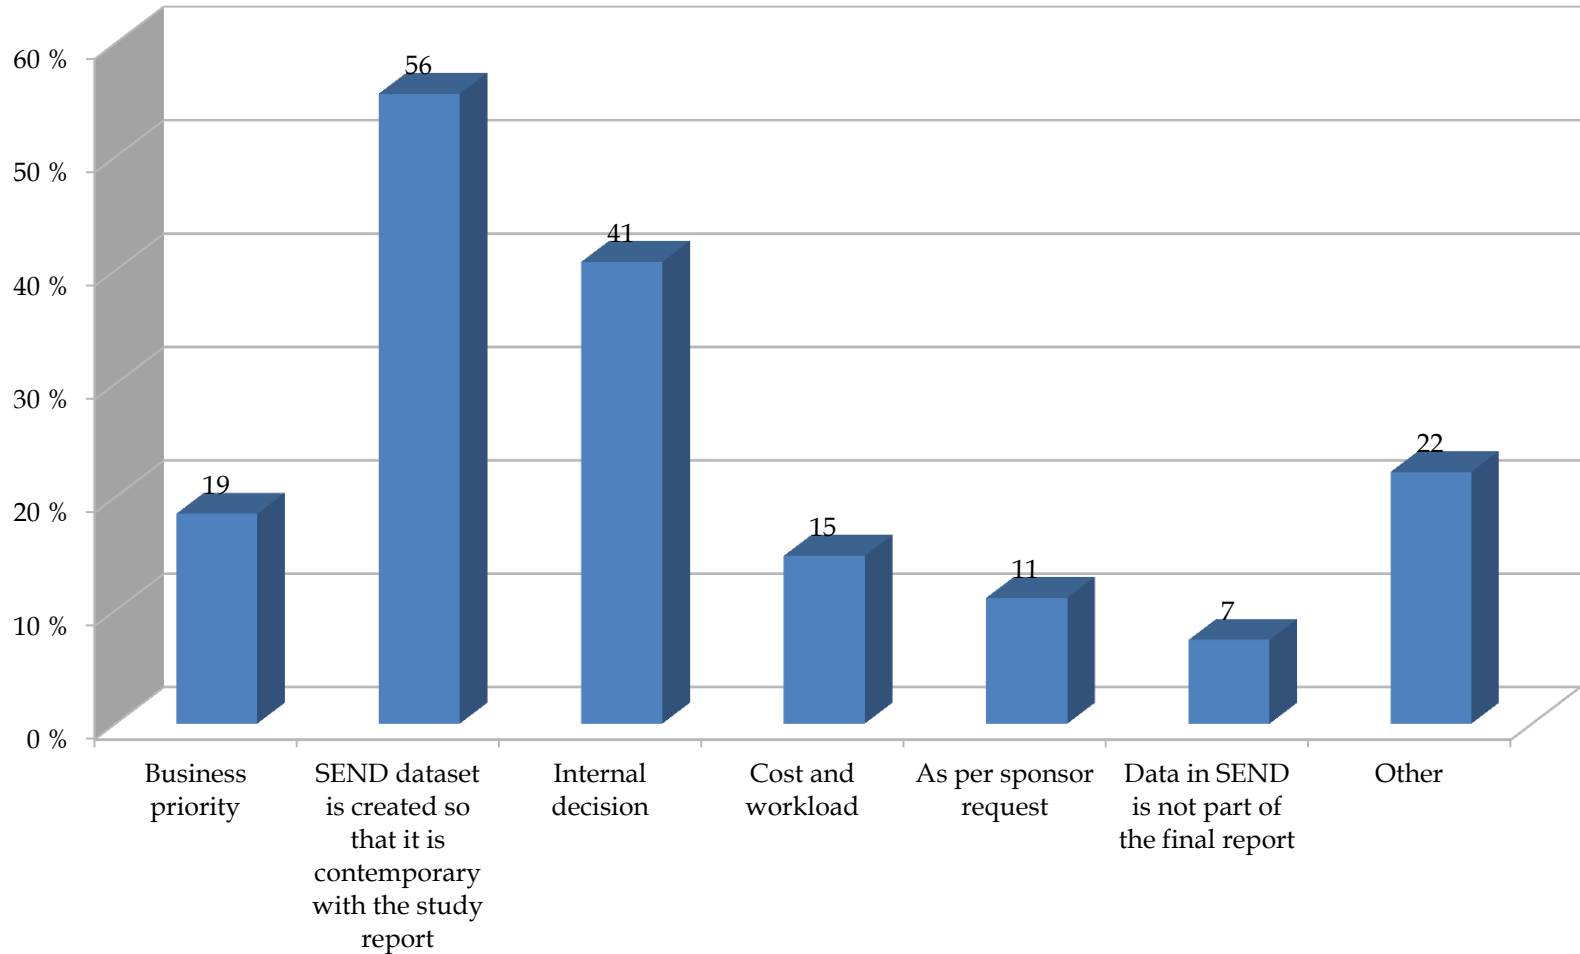

## 2017 -Timing For SEND Dataset Creation - Sponsor and CRO

SEND datasets will be prepared at all the timings that were available choices in the survey.

# What Is The Rationale For Your Timing Decision In Question Above?

# Will SEND datasets be used for purposes other than submission to the FDA. ie, data warehouse, reporting? (Select all that apply.)

**2017 - Other Uses For SEND Datasets**  
(n)

Using SEND datasets for a Data Warehouse or Visualization are the leading additional uses of the dataset.

We're still discussing this point

Plan to eventually use for warehousing and visualization. Not there yet.

Internal use and comparison of data

Meta-analysis of preclinical information

Our organization is not using SEND datasets for purposes other than to generate and supply to clients.

# How will your company provide QA oversight of the SEND dataset process?

## 2016 QA Involvement

- Audited as a study activity
- Dataset will be audited outside of study
- Dataset process audited
- Dataset outside study activities; will not be audited.
- Other

## 2017 QA Involvement

- Audited as a study activity
- Audited outside of study
- Dataset process will be audited
- Dataset outside study activities ; will not be audited
- Other

55% of respondents will audit the SEND process or not audit. 19% will audit as a study activity

# How do you ensure that your datasets completely and accurately represent the study data so that such a statement to the FDA can be supported?

## 2016 QC Of Datasets

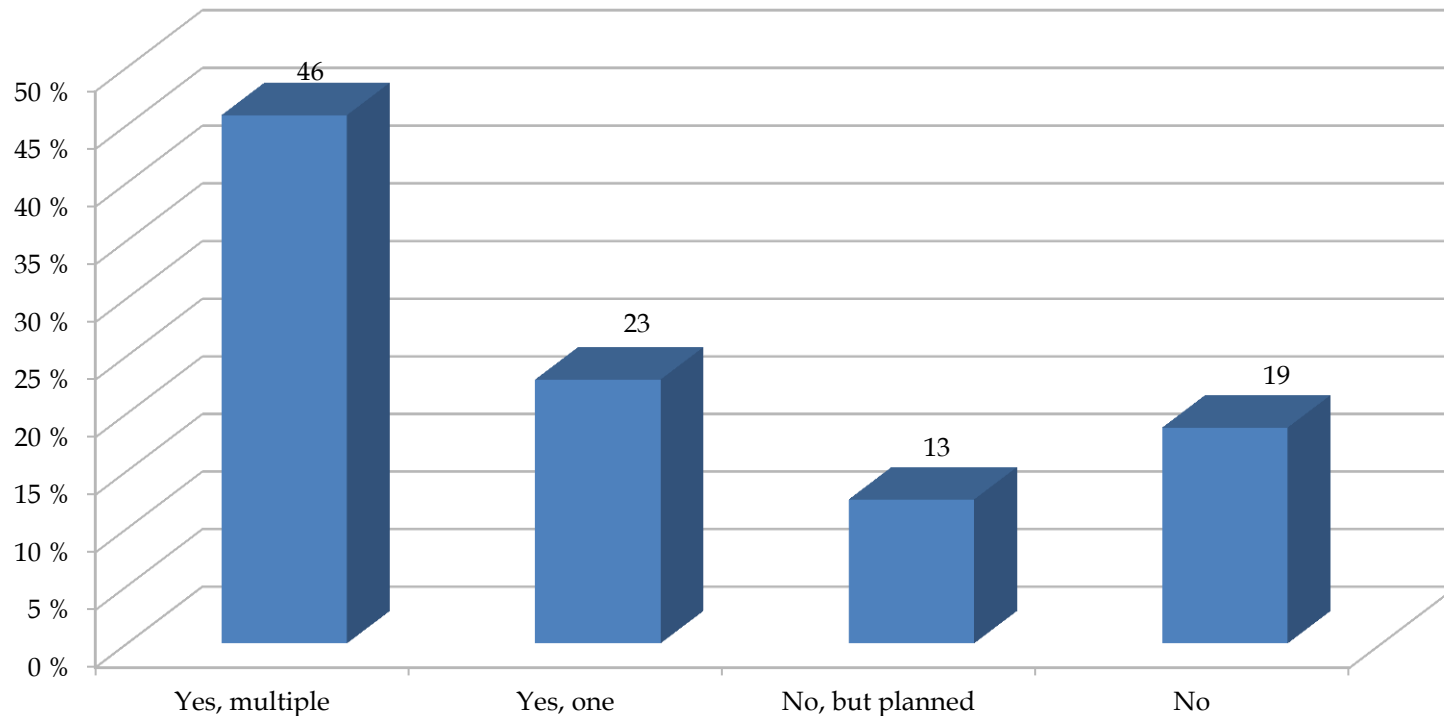

## 2017 QC of Datasets

# Have you submitted a trial dataset to the FDA?

**Trial Submission To FDA (n=48)**

69 Percent of respondents have submitted at least one trial submission to FDA

# A Meter For Where We Want To Be

Working Toward The Final SEND Readiness Goal Of 100 Percent. How Can PhUSE Help All Of Us With SEND Readiness?

*Thank You To:*

*Wendy Dobson – PHUSE*

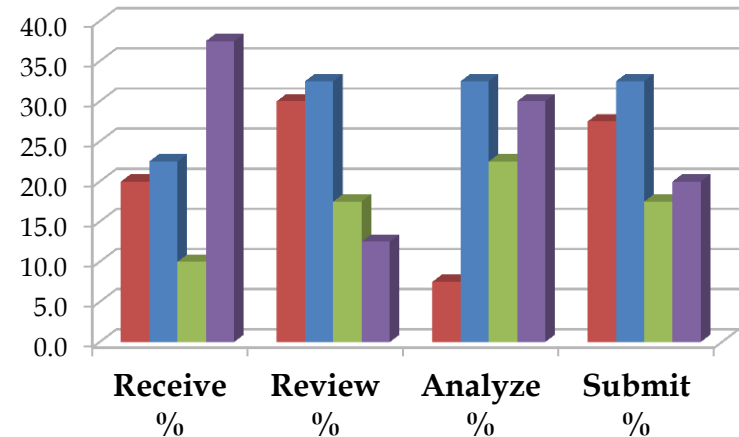

*All Survey Respondents*

# 13. If applicable, are you ready to...

**Sponsor - Capabilities (N=56)**

**CRO - Capabilities (N=40)**

**SEND Service Provider - Capabilities (N=8)**

**Other - Capabilities (N=14)**

Only SEND Service Providers are generally ready in all categories.

## 12. What will you use as the reference source to verify (QC) your datasets against?

Unknown At This Time

*Original Raw Data*

Report Tables

Along With Checks Against Study Plan, Schedule, And Report

Report Tables And LIMS If Needed

Final Report Tables Are The Most Commonly Used Source (2:1 to LIMS Data Tables. Other Have Not Decided
