

EU Connect 2025

The EU Connect 2025, held from 16-19 November in Hamburg, Germany, set a record number of attendees for EU and united the passionate PHUSE Community. Participants engaged with the latest innovations, explored emerging technologies, and collaborated to address key challenges shaping the future of data science and clinical research. Together, we unlocked new opportunities and drove meaningful progress across the industry. But don't just take our word for it - see what our attendees have to say about their experience!

Our Platinum Sponsors

Platinum Sponsors – Certara, Domino Data Lab and SAS – gained premium visibility and exclusive engagement opportunities with the PHUSE Community.

Sponsor Zone

Posit hosted the Sponsor Zone, providing a customised, large space in the Exhibition Hall to explore their solutions and discover their impact on the industry.

Connect Sponsors

Connect Sponsors featured their brand across digital platforms and at the event venue, giving attendees the opportunity to engage with their offerings and learn about their contributions to the industry, without the need for a booth.

Social & Networking Events

Evening events provided attendees with the perfect setting to network and build connections after a full day of sessions. For sponsors, these events offered a prime opportunity to elevate their brand presence in a social, engaging environment.

Social & Networking Events

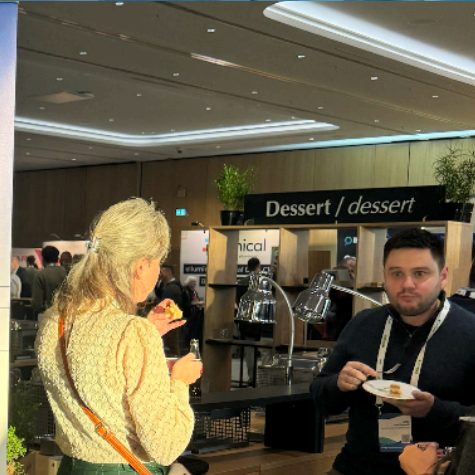

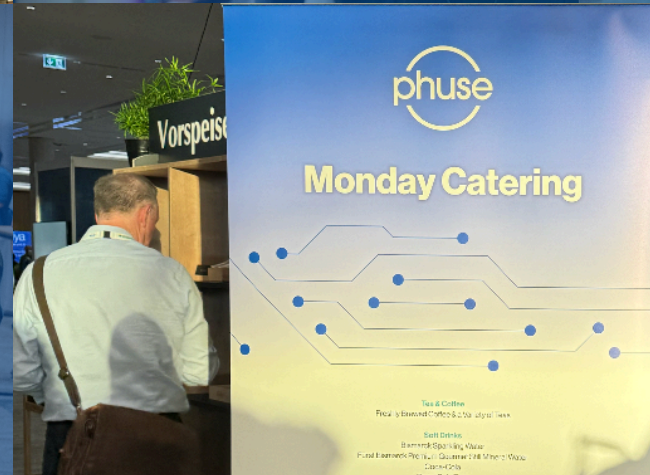

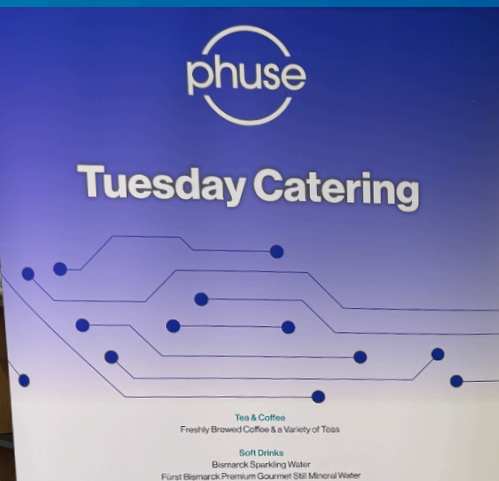

Social Events offered attendees the chance to unwind and connect in a relaxed atmosphere, while providing companies with a unique opportunity to showcase their personality and strengthen their presence.

Networking

Breaks and lunches offer a natural space for genuine conversations and new connections. Featuring your brand in this relaxed networking setting keeps you part of those meaningful interactions that often lead to future collaborations.
