Your brand, in front
of the people **shaping**
clinical data transparency.

DAY 1 Regulatory Compliance & Protecting Sensitive Information

DAY 3 Innovation, Patient-Centred Transparency & Operational Excellence

Thank you for hosting the event, it's a really great virtual format. I'm looking forward to the Data Transparency Pavilion again at the US Connect 2027. Many thanks for the educational opportunities!

An engaging event, the mix of regulatory updates and practical examples was valuable.

The sessions were informative and provided valuable insights into current practices and developments in data transparency. I particularly appreciated the practical discussions and the opportunity to learn from industry experts. I look forward to attending future events.

Your company in the spotlight. *Before, during and after the event*

Event Platform

Sponsor logos are visible at key times during the live event as well as on the on-demand recordings.

A 90-second sponsor video is played during the live event, giving your company dedicated visibility with attendees. Reserved for just three sponsors, this premium feature helps your brand stand out and capture audience attention.

Social Media

Sponsors receive shoutouts and are tagged in LinkedIn posts before, during and after the event.

A huge thank you to our current sponsors, [Biogen](#), [Citeline](#), [Krystelis Ltd](#) and [Xogene](#) for your valuable support.

Event Webpage

Your logo is added and linked directly to your website as soon as you sign up, and continues to appear on the archived webpage, maximising long-term visibility. Sponsor flyers are displayed for the duration of registration.

Event Mailshots

Event mailshots are distributed both globally to 12,000+ recipients, as well as to targeted mailing lists.

1,000+ total clicks generated by Data Transparency mailshots in 2026

TOP TIP The earlier you sign up, the more exposure your logo receives.
